RE: Schedule D (FEC Form 3) Settlement of debts and Obligations owed by the Friends of Nan Hayworth Campaign.

The Friends of Nan Hayworth campaign received a letter from Airnet Group, Inc. stating that they have deducted the outstanding balance owed from the initial deposit paid by the Campaign and refunded the unused deposit funds (refund was deposited and reported by the campaign on its June 2013 quarterly report). Therefore, no debt is currently owed to Airnet Group, Inc. and the obligation has been removed from Schedule D.

Additionally, the campaign received an invoice from The Management Compaies stating that they have been paid in full and there is currently no outstanding debt owed by Friends of Nan Hayworth. The mistakenly reported debt has been removed from Schedule D.

Copies of both letters have been mailed to the Federal Election Commission.

Sincerly,

Kevin Jahns

Treasurer, Friends of Nan Hayworth
